Robin Woods				
Jeff Lisanick				

Catherine Kitchell
1648 Fitzgerald Lane
Alexandria, VA

January 5, 2021

Dear Parkfairfax Board of Directors,

I am interested in being considered as a member of the Elections Committee. I have been an owner of my unit since 2010 - although I note that my mother was the original buyer of the unit when it first went condo and I attended middle and high school while living here. When she moved to Goodwin House, I bought her unit to be closer to my work at Bloomberg Law in Crystal City. I was a law librarian and editor of ***BNA's Directory of State and Federal Courts, Judges and Clerks.*** (Bloomberg bought BNA in 2011.) I retired from Bloomberg last January.

I was very involved in Special Libraries Association, my professional association, both at the local and national level for the 30 years I worked for BNA/Bloomberg. I was Chair of the News Division and just completed my duties in December as Past-Chair of the Legal Division. I received the Board of Directors Award from the DC Chapter for my work as Treasurer and as a program planner. I have spoken at library conferences on the impact of artificial intelligence in law libraries.

I am also an avid bicyclist and currently serve on the Executive Committee of Potomac Pedalers, the area's largest cycling club. I have been Chair of the club and was the first recipient of their Lifetime Achievement Award.

I appreciate very much the hard work the Board does to keep Parkfairfax a great place to live. I've enjoyed taking over the book club and am happy we will transition to Zoom for the January meeting - though I will be even more happy when we can finally use the party room again!

Thank you for your consideration.

Sincerely,

Catherine Kitchell
